

No Meetings, Events or Programming Days

In support of our Diversity, Equity, Inclusion and Belonging guiding principles, the following is a guide for our volunteers and staff members when considering dates for events, programming or internal or external meetings.

- On the following page are the designated days that the Strategic Capability Network will NOT hold events, programming or meetings.
- Each January the specific dates for that calendar year will be provided to all volunteers and staff who plan events, programming and meetings.
- There may be other important cultural days/periods not specified, and we encourage all SCN volunteers, particularly those leading teams and groups, to provide flexibility and cultural sensitivity to recognize individual needs.

Statutory Holidays

Additionally, for all local events, programming and meetings should abide by the Provincial Statutory Holidays. If the event, programming or meeting involves attendees from more than one province, then the Provincial Statutory Holidays of all the locations of the attendees must be followed.

Please reach out to your Co-Presidents if you have any questions.
